

/home/cjg8251/Desktop
/JuraCoffeeMemory/formate
-dump.cpp

```
graph TD; A["/home/cjg8251/Desktop  
/JuraCoffeeMemory/formate  
-dump.cpp"] --> B[iostream]; A --> C[sstream]; A --> D[iterator]; A --> E[vector];
```

The diagram illustrates a file path at the top, which then branches out via four arrows to point to four separate boxes below. The boxes are labeled 'iostream', 'sstream', 'iterator', and 'vector', representing different C++ standard library components.

iostream

sstream

iterator

vector
